**UPDATE**

**DODGE ST. SIDEWALK IMPROVEMENTS**

Beginning Wednesday, August 28, 2013, at 9:00 am, Swain Construction will begin the second phase of construction on the pedestrian sidewalk improvements on Dodge St. from 50<sup>th</sup> St. to 52<sup>nd</sup> St., moving to the South side of Dodge St.

To facilitate the mandatory 2 lanes of traffic for both East and Westbound traffic, the center reversible lane will become Westbound only while work is being completed on the North side of Dodge St. and then switch to become an Eastbound only lane while work is being completed on the South side of Dodge St.

These changes and restrictions will be in place for 30 days.

If you have any comments or questions, please contact the Traffic Engineering Division, Jeff Brittain, (402) 444-5950.
