Ken Mertl, Manager – (402) 238-3461
The scale house is operated by
Douglas County Environmental Services
(402) 238-2970

Asbestos accepted: Mon, Wed, Fri 8:00 AM – Noon

Asbestos Details:

1. Go to www.wmdisposal.com to complete a non-hazardous waste profile sheet electronically, or to download hardcopy forms.
2. If completing form manually or for assistance, call the Technical Service Center at (800) 963-4776. Completed forms can be faxed to (866) 800-2591.
3. Waste Management's Technical Service Center will notify you when the waste is approved for disposal, and provide a Waste Shipment Record for transporting the waste.
4. Call the landfill at (402)238-3440 to schedule disposal 24 hours in advance.
5. On day of disposal, provide the completed Waste Shipment Record to the scale house.
6. After weight of vehicle is recorded, proceed to disposal area as directed.
7. Return to scale house to reweigh and pay.
